The reasons given appear quite valid. The letter was quite clear and definite. Mr Stephen accepted the offer with his eyes open. As against the Government servant virtual Rs 125 p.m. for 5½ months he has got a Rs [illegible] of same as Municipal President. In any case there is no means making up the loss as it would not be equitable to make the Municipality pay and there is no budget provision against which such an expenditure be charged. by

Chief Secretary to Government
Bangalore

Sir.

I have the honor to acknowledge the receipt of your letter no 3760/C.B.201-23 dated 25th June 1923, stating that the request made in my letter of the 31st May 1924 for calculating my salary as acting Deputy Commissioner, second class, for purposes of pension or for the grant of an arbitrary pension cannot be sanctioned.

I have already represented to Government how by retiring from service before the expiry of the period of extension sanctioned to me, to accept my present place, I suffer in emoluments to the extent of nearly Rs 130. a month. Since Government is not pleased to sanction

an enhanced pension to compensate me for my loss, I request that at least, the difference between Rs 1000 a month, the pay which I would have continued to draw as Deputy Commissioner, second class, and my present emoluments including my pension, from 1st April 1924 to 18th Sept: 1924, may be made good to me.

I have the honor to be
Sir
Your most obedient servant

C.S 201-23-24 Dt 17/7/1924

Dear Sir,

I am desired to acknowledge your letter of the 11th instant praying that you may be compensated for reductions of emoluments from 1st April to 17th September 1924 on account of your retiring from the former instead of from the latter date. In this connection, I am to refer to my confidential D.O. letter No.2926/C.B. dated the 7th March 1924 in which when the offer of the President-ship of the Municipal Council was made to you this fact was specifically pointed out ~~to you~~. ~~I wrote~~ that you would be given the same emoluments as were being drawn by Diwan Bahadur Mr. Srikanteswara Aiyar, viz., Rs.450 in addition to your pension and it was pointed out that "this will no doubt mean some reduction in your emoluments from the 1st April to the 17th September 1924". I added that "if your retirement from an earlier date than already sanctioned affects the amount of your pension adversely, the Government would be prepared to consider how this might be made up to you". These terms were accepted by you and the Government have also sanctioned to you the grant of a pension that you would have received if you had remained in service till the 17th September 1924. In these circumstances, I am to request you to state the grounds on which you now base your claim.

Yours sincerely,

K.Mylar Rao, Esq., B.A., B.L.,
President, City Municipal Council,
Madura.

Dear Sir

In reply to your letter of the 17th inst, asking me on what grounds I claim to be compensated for reduction of emoluments from 1st April to 17th Sep 1924, I wrote to say that the extent to which I would suffer in emoluments was not mentioned in your letter of the 7th March 1924 and I had no definite idea about it when I wrote accepting the offer made in your letter - The reduction in emoluments is now found to be as large as nearly Rs 130/- a month.

The work I have got to do as President of the Municipality and Chairman of the Trust Board is quite as heavy and responsible as, if not more than, that of the Deputy Commissioner. In these circumstances, I have made the request contained in my letter of the 11th inst
